A BRIEF SYNOPSIS OF THE HOMESTEAD LAWS.

All men and women over 21 years of age, widows, deserted wives, and persons under 21 years who are the heads of families, and are not the owners of more than 160 acres of land, who are citizens or have declared their intention to become citizens of the United States are qualified to make a homestead entry.

Not later than six months from date of entry the homestead claimant must establish his residence upon the land, and after fourteen months from date of entry, if he has resided upon and cultivated the land for the last eight months, can commute or pay for the land at the rate of \$1.25 per acre, when claimant will receive a patent to the land from the government. If claimant does not wish to commute, he can reside continuously upon the land for five years, and upon filing proof that he has done so, will receive a patent to the land.

SOLDIERS' RIGHTS.

Soldiers who served in the war of the rebellion, the Spanish or the Philippine wars, are entitled to have the time of their service, not exceeding four years, counted as residence on the land.

DECEASED CLAIMANTS.

If a homestead claimant dies, the land goes to the widow, if he leaves one; if not, to his heirs. Neither the widow nor the heirs are required to live on the land, but must keep up the improvements.

SOLDIERS' WIDOW.

The widow of a deceased soldier who never used his homestead right, can make a soldier's homestead entry, and is required to reside personally on the land for one year. If the widow of a deceased soldier has died or again married, his minor children, through a guardian, can make a soldier's home-

stead entry.

LEAVE OF ABSENCE.

Any homesteader, who by reason of failure of crops, sickness or any other unavoidable casualty is unable to make a living for himself and family on his claim, can secure a leave of absence not exceeding one year. When a leave of absence is granted, the time the settler is absent must be made up at the end of the five years' residence and cultivation required by law.

THE COST.

The government fee for filing upon 160 acres of public land is \$19.10. The fee for showing the land to the prospective settler, surveying it and marking the corners is \$10 to \$15. Distance the locator travels makes the difference in his costs. This makes the total cost vary from \$29.10 to \$34.10.
